

## Terms & Conditions

### Season Tickets

Your Season ticket can be used for unlimited trips throughout the season. This means you can turn up without pre-booking and come aboard as much as you like!

Turning up for a trip on the day is subject to availability i.e. a season ticket does not guarantee you a seat on a trip if it has already been fully booked for instance. Please note that you may only make a reservation for a specific trip once per week. This is to ensure that one-time visitors also have a fair chance to experience a cruise during peak season.

Your ticket can be used for any of our daily cruises and with our Tuesday evening cruises. Our Day Trips run every day from 11 am to 4 pm on the hour, 7 days a week during the season.

Photo ID must be provided alongside any use of your season ticket.

We reserve the right to rescind your season ticket should we believe that any terms are not being adhered to or the safety of any of our crew is brought in to question.
